

WILSON'S GOVERNMENT ABUSES WOMEN

Two weeks ago, Britains biggest pimps, the Law Lords, gave men the legal freedom to go around raping women -- "When a woman says 'no' she really means 'yes'" according to Lord Hailsham, one of the Law Lords..

Last week an East end man accused of rape, Michael John Stevens, used this ruling in his defense - saying that the woman was "DRESSED TO KILL" in black stockings and high heeled shoes and gave him a "BIG SMILE" in the pub-- so women beware - nowadays smiling at a bloke can be taken to mean you want him to rape you - and remember if he does rape you DON'T RELY ON THE LAW.

This is supposed to be International Women's Year -- so far Mr. Wilson's government has allowed rape to be legalised --- and now is planning to make abortion illegal .
