

OUR UNION IS RUN  
BY CLAIMANTS -  
PEOPLE WHO ARE  
UNEMPLOYED, SICK  
DISABLED, OLD AGE  
PENSIONERS, SINGLE  
PARENTS, ETC.

We're fed up with having to  
make appointments or queuing  
up to be seen by 'officials'.  
Always having to be pestered  
with millions of questions.  
Even being spied on in our  
own homes. No matter whether  
it is the Social Security or  
the Labour, the Housing Dept  
or Social Workers... all  
they want from us is inform-  
ation. Then 'they' make the  
decisions about US. It's  
time we stopped letting them  
control our lives. Its time  
we took power into our own  
hands.

On our own we are weak. But  
together we are strong. We  
have to get together to  
fight the vicious system  
which keeps us in poverty  
deliberately. If you're on  
Social Security, join us in  
East London Claimants Union  
this Wednesday at 7.30pm.
