

FIGHT RACISM AT MILE END!

The Railway Tavern, Grove Road, won't serve blacks. This publican and others like him must be stopped.

The National Front (Britain's Nazis) are blaming black people for all our problems. Thirty years ago they blamed the Jews, and before that the Irish.

In 1936 East Enders stopped Mosley's fascists in Cable St. From 1939 to 1945 we fought Hitler's Nazis. Now in 1974 we've got to fight the spread of racism again.
